## Open for golf business

Las Colinas Golf & Country Club, sitting in Dehesa de Campoamor, between Alicante and Murcia, is now open to the general public. The championship golf course has been carved out of a spectacular gorge that results in breathtaking panoramic views in whichever direction you look. €55-€80 for 18 holes, visit: [www.aworldapart.es](http://www.aworldapart.es)

### DID YOU KNOW?

Marriott has revamped its website, [www.marriottgolf.co.uk](http://www.marriottgolf.co.uk), to include an online booking facility that gives golfers the option to reserve a tee-time at a time and date of their choice at any one of its eleven venues.

## UNIQUE GOLF MOUNTAIN

The world's first ever pop-up golf course has been created in Adelboden, Switzerland and cows will not be the only obstacles to overcome. To be known as 'Golf Mountain', it will be open for just one month, from 10 Sept to 10 Oct. Located on the Engstligenalp with breathtaking views over the village of Adelboden, the 18 hole golf course sits at 1,964 metres, making it one of the highest in Europe and

will provide even the most skilled golfers with a serious challenge, as well as lots of fun. The luxurious Cambrian Hotel has created a golf package costing from £315 pp sharing a double room to include two nights' B&B accommodation in a deluxe room, a four-course dinner on one night, two green fees and a sports massage.

For info, email [info@thecambrianadelboden.com](mailto:info@thecambrianadelboden.com) or call +41 (0) 33 673 83 83.
